- 1. Please read and sign the following.**
- 2. Schedules and practice updates are available at www.briarwoodsports.com
Once a player begins practice for a sport, it is assumed they can attend all practices and games. If you cannot commit to all practices and games, please notify the coach as soon as possible about practices and games you can not attend.**
- 3. Please schedule medical appointments on Wednesdays.**
- 4. Practices begin at 3:10 P.M. on Monday, Tuesday, Thursday, and Friday.
Wednesday practices may be held when games are scheduled on Tuesday and Thursday. These will be optional.**
- 5. Practices end at 5:10 P.M. If you cannot pick up your athlete by 5:30, please notify the Athletic Director. We might be able to arrange a ride home for your athlete with another athlete.**
- 6. Practice attendance. If an athlete is at school, they are expected to attend practice. Students who leave during the day due to illness, etc., must notify the coach that they are leaving and will miss practice. This can be done by personally notifying the coach, or by asking the attendance clerk to notify the coach. Students not attending practice have either an excused practice or an unexcused practice.**
- 7. Excused practices are those in which the coach has prior written notice that a practice will be missed.**
- 8. An unexcused practice is one in which the coach did not receive prior notice of a missed practice.**
- 9. Athletes with 1 unexcused practice will be suspended from 1 competition.**
- 10. Athletes with an excused absence will have reduced playing time.**
- 11. Athletes with 2 unexcused absences will be subject to removal from the team.**

- 12. Any athlete removed from a team will be ineligible to participate in the next season of sports.**
- 13. Any student who quits a sport after a week of commitment will be ineligible for the next season of sports.**
- 14. Students assigned to after school detention and tutorials must attend those before practice or a game. Students must notify the coach the day before a scheduled tutorial or mandatory that practice is being missed. Students should dress for the game or practice before attending detention.**
- 15. It is the responsibility of the student to attend practices and games after detention and tutorials. Failure to attend scheduled practices and games after assigned tutorials and detentions will result in an unexcused practice.**
